

## **Catching Time**

**Goin`nowhere fast  
Goin`nowhere fast  
Sat on a bank and seen the river run past, just  
Goin`nowhere fast**

**Pocketful of fare  
Pocketful of fare  
Past the horizon for a breath of air with a  
Pocketful of fare**

**Just Catching Time  
Catching Time  
Hit the road and ride  
Catching Time**

**Into the morning sun  
Into the morning sun  
Got out my jacket, put my walking shoes on and  
Walked out into the sun**

**Catching Time  
Catching Time  
Hit the road and ride  
Catching Time**
