

## ROSE OF SHARON

Take the time to step down to the riverside  
I want to take you to the carnival rides out among the circus lights

Riding with the Rose of Sharon.  
Sunset shine, the engine's firing  
Rose of Sharon ride

Huddle up close for the tunnel of love  
I'll hold you tight, will you pull me up?  
And ride back out where the sunlight floods

All yesterdays' have been and gone and tomorrow await at dawn

Riding with the Rose of Sharon  
Baffling the eye of Charon  
Rose of Sharon ride
